STUDENT'S NAME _____

DIRECTIONS

- Begin asking people to donate to help raise money to pay for you to attend a youth trip. You can ask relatives, neighbors, teachers, coaches, coworkers. We do ask that you do not ask people who attend our church, because they already give so generously to our youth program.
- More than one person can give to complete a block
Example: 5 people can give \$10 to complete a block with 50 in it.
